Spreading the good feeling people get from yarn and yarn-related crafts is what I Love Yarn Day (ILYD) is all about. And what better way for knitters and crocheters to spread that joy and pass on their love of the crafts than to “stitch it forward” and teach others?

On Saturday, October 17th, through its social media platforms, the Craft Yarn Council will be encouraging knitters and crocheters around the world to **Stitch It Forward** by inspiring them to teach at least one other person how to knit or crochet and spread the joy of these crafts.

Get Involved on ILYD:

1. Visit ILYD on Social Media: Check out the [ILYD Facebook](#), [Instagram](#), [Twitter](#) and [Pinterest](#) pages to join in the official countdown to ILYD and find ideas for how to #StitchItForward including fun ways to celebrate yarn, tips for teaching others how to knit and crochet, free patterns, giveaways and more!

2. Enter our I Love Yarn Day contest on Instagram! The most creative and fun photos representing how to #stitchitforward will win yarn and book prizes. Make sure you use the #ILYD2015 and #stitchitforward hashtags on your photos. Contest runs 9/8/15 - 10/24/15. Check out the rules at the [ILYD website](#).
